REF. EGLA - 4256, 4 Dec. 1954 (not to be DOCUMENT MICROFILM SERVICE)

1. Reference is an ODPAL query on (Dr) Jan KRAL born 10 February 1910 in Prague and (Dr) Helene FROCHAZKOVÁ born 7 May 1907 in Perná. ODPAL furnished no reason for their query.

2. ZIPPER reports that Subjects are not active with them, but are known to them from a 11 October 1954 query from the IfV, Bavaria. According to the IfV both emigrated from the GDR in 1948 and resided in Paris until 1953. On September 7th 1953 they entered the Federal Republic and lived variously in Heidelberg, Frankfurt/H., and Munich. On 28 September 1954 they moved to Schongau am Lech. Their passports were issued by the Paris Prefecture. Both had a letter of introduction from the head of the "Arbeitsgemeinschaft sudetendeutscher Interessen" (Dr.) Walter BECKER who is also believed to have sponsored their 6 months stay. They appear to have plenty of funds and intended to write political book in Schongau. Dr. FROCHAZKOVÁ was a representative of the Czech parliament in 1938.

3. Once again it appears quite likely that ODPAL is requesting traces on behalf of information received from a third agency - this time possibly the IfV, Bavaria. Obviously if this is the case the information in paragraph 2 cannot be passed to the IfV. And once again we request that ODPAL be persuaded to indicate the fact that they are trading on behalf of the IfV or IfV's.

4. For COM: Dr. Walter BECKER was a deputy in the Bavarian Landtag in 1951 and active in Sudetendeutsch politics. He was a spotter for ZIPPER's CV until dropped 30 November 1952. Present address listed in the Munich directory is Pullach, Tirolerstr. (Dr. BECKER was the Munich contact of Karl von WIRZELP of Gres who was involved in the Wilhelm HÖFTL complex. Subjects may be of interest to the COM GART/DIZTAG section in view of the fact that they have appeared on the scene with copious funds, which could mean KUBAK or Eastern sponsorship.
